

## **JOHANNES HÄRTL – EXECUTIVE DIRECTOR**

Since 2013 Johannes Härtl has been joint partner of Iwanson International and, together with Jessica Iwanson and Stefan Sixt, leads the Munich school.

Härtl graduated at Iwanson International in 2006 and had soon made his mark as successful young choreographer and dancer. The press dubbed him ‘high yer’ because right from the beginning, he could show his works at international competitions and was awarded Munich’s dance debut grant.

In addition to his post at Iwanson International, Härtl is also ‘choreographer in residence’ at the Civic Centre Unterföhring and works as guest choreographer for numerous city theaters, last in Rostock. At Iwanson, Härtl teaches Contemporary Dance and art lessons. As artistic director, he is also responsible for the choreographic lab ‘Stückchenweise’ (Piece by Piece).
